Young Boone	Tuesday 4/2 6:30pm BCPL, Scheben

Coalition Members attended CADCA's National Leadership Forum in D.C!

In February, the DFC Coordinator for the BCA, Abby Beausir, attended CADCA's National Leadership Forum taking place in Washington D.C. The week featured training sessions on a variety of topics, including engaging and recruiting youth for coalition activities, marijuana policy and its impact on youth usage, under-age drinking

campaigns, and many more. The week also featured many key speakers from NIDA, CADCA, and SAMHSA. SAMHSA also had their 15th annual prevention day!

Alcohol Sticker Shock Kick-Off in March!

This month, the BCA will be kicking off their spring campaign, Alcohol Sticker Shock. This underage drinking campaign occurs every year during prom and graduation season to raise awareness about underage drinking and remind adults that it is against the law to provide alcohol to minors.

Volunteers visit alcohol retailers and place stickers on packages of alcohol to raise aware-

ness. The BCA will be visiting alcohol retailers across Boone County and plan to sticker more than last year, which was 17,000!

In addition, if you would like to volunteer for this

initiative or know of a high schooler that would like to volunteer, please contact us! The campaign will conclude in June, so we will need volunteers from March through June.
